Letter No. T.R.C. 5796/47-48 Dated 12th July 1948 from the Director of Food Supplies requesting in the circumstances stated sanction for the disposal of six lorries to the Mysore City Municipality at an upset price of Rs 3,500/- each 2) General sanction for selling the lorries at the same upset price to such of the Depts who may require them & 3) for disposing the lorries in auction if no offers from the Depts.

Submitted. Kind reference is invited to this office letter dated 26-6-48 to the D. Js requiring whether the P.W or any other Depts are also interested in taking over the lorries of the Food Depts at an upset price of Rs 3500/- each.

2) The D. Js now reports that a reference has been made to the Principal Heads of Depts concerned in this behalf. In the mean while the Mysore City Municipality are stated to have offered to purchase six lorries for Rs 3,500/- each. As regards the remaining 36 lorries, the D. Js proposes to sell the same to such of these Depts as may require at Rs 3,500/- each or in the alternative proposes to dispose them in public auction.

3) The points for orders are

1) Sanction for the sale of 6 lorries to the Mysore City Municipality at an upset price of Rs 3,500/- each

2) General sanction for selling the lorries to such of these Depts who may require lorries at Rs 3,500/- each

3) Permission to sell the remaining lorries in public auction if no offers are received before the 20th instant from Govt Depts.

4) All the three proposals of the Director of Food—

Sir,

DISPOSAL OF LORRIES.

With reference to your letter No.SD.10513/A.167-47-9 dated 26-6-1948 enquiring whether the Public Works or any other Department are still interested in taking over the lorries remaining at an upset price of Rs.3,500/- each, I have the honour to state that a reference has been made in this behalf to the principal Heads of Departments concerned.

2. In the meantime, the Mysore City Municipality have offered to take up six of our lorries(noted in the margin) now at Bangalore for Rs.3,500/- each. I request that the approval of Government may kindly be obtained immediately for the sale of these lorries to the Mysore City Municipality at that rate.

A NOTE ON THE LORRY POSITION - 10TH JULY 1948.

The total number of lorries purchased by the Department was 209 (without counting the Workshop lorry made over to the Military), the total outlay being Rs.15,36,381/-. Out of these, 51 were sold to private contractors (44 at Bangalore to the Bangalore Fuel Supply and Transport Company and 7 at Mysore) for Rs.3,43,850/- in all. ~~Th~~ All these were Ford lease-lend lorries. 118 lorries have been sold in auction from time to time including the last one held yesterday (9.7.48), the total realisations being Rs.3,72,925/-.

2. There are now 40 lorries in charge of the Department. 23 lorries in good running order are at Bangalore with the Transport Officer (17 Dodges, 5 Fords and 1 Chevrolet). Out of these, 2 Fords, 3 Dodges and 1 Chevrolet have been selected by the Mysore City Municipality and will be sold to them at the rate of Rs.3,500/- each after obtaining approval of Government.

3. 17 lorries are distributed in the Districts as follows:-

Tumkur ..	3	(Ford)
Chitaldrug ..	4	(Dodge)
Government Central Depot, Mysore..	5	(")
Rationing Officer, Mysore ..	1	(Ford)
Mysore City Municipality ..	4	(")
Total:	17	

4. With regard to the last, it may be stated there that originally 6 Ford lorries had been made over to the President, City Municipal Council, Mysore for fuel transport purposes. The cost of these lorries was Rs.39,400/-. This has not been paid by the Municipality. Recently two of these lorries were got back and included in the auction held on 30-6-48. 4 are still with the Mysore City Municipality. The question of recovering either the cost of the lorries or the hire charges which have been collected by the Municipality from the contractors all these years is under correspondence.

5. The disposal of the Dodge lorries to the Public Works Department or other Government Department at Rs.3,500/-- per lorry has been recommended to Government. Whatever lorries remain over finally will be disposed of in auction.

OFFICE OF THE

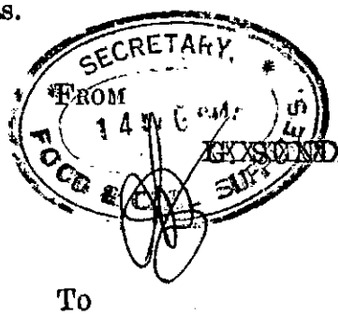
IN MYSORE,

Bangalore, dated 11th August.... *1948*.



The *Director of Food Supplies*
in Mysore, Bangalore.

To

The Secretary to Government,

Food & Civil Supplies Department,

Bangalore.

SIR,

Subject: DISPOSAL OF LORRIES.

With reference to your letter No. SD.1089/A.167-47-10 dated the 5th August 1948 directing that the proposal to sell six lorries to the Mysore City Municipality may be kept in abeyance and that the lorries may be offered to the other Departments at an upset price of Rs.3,500/- each, I have the honour to state that the Executive Engineer, Water Works Division, Bangalore, who has been deputed by the Chief Engineer for Irrigation in Mysore, Bangalore, for inspection of the Lorries has since made a preliminary inspection of them and has proposed to take delivery of the Dodge Lorries after trial. A copy of letter No.90 dated the 5th August 1948 from the Chief Engineer in Mysore is enclosed for perusal.

There are 17 Dodge lorries at present in Bangalore apart from 6 other lorries. Out of these, 17, three have been selected by the City Municipality, Mysore and the President, Mysore City Municipality Council has also sent a cheque for Rs.21,000/- being the cost of six lorries (three Dodge, one Chevrolet and two Ford) at Rs.3,500/- each. The cheque has not been cashed pending receipt of instructions from Government. Re. the six lorries originally given to the Mysore City Municipality kind reference is invited to this Office letter No.TRC.5710/46-7 dated 7th July 1948 (copy enclosed for ready reference) It will be kindly seen therefrom that the question of adjustment of hire - charges collected by the Municipality has been taken up with the

with the Municipal Commissioner, Mysore. Two of the lorries were brought back and sold in public auction. The other four lorries are not in a condition to be brought over to Bangalore and separate action is being taken to dispose of them. In view of this, the question of recovering the cost of the four lorries still in Mysore is not in any way directly connected with the disposal of the present lorries. I would therefore recommend that the six lorries which have been inspected by the Municipal Engineer, Mysore may be sold to the Mysore City Municipality at Rs.3,500/- each, as they have already remitted the full amount.

I have the honour to be,
Sir,
Your most obedient servant,

July 7,

From

The Director of Food Supplies in Mysore,
Bangalore.

To

The Secretary to Government,
Food & Civil Supplies Department,
Bangalore.

Sir,

I have the honour to state that thirteen lorries of the Food Department were given to Mysore City Municipality for transport of fuel to the Mysore City only seven of these have been paid for so far. The Municipal authorities handed over the same to the several fuel contractors. In respect of the remaining six lorries cost has not been paid either by the Municipality or the fuel contractors.

In connection with the proposed disposal of our lorries which are damaged too much and consequently require very heavy repairs, these lorries were inspected by the Transport Officer attached to this Department in February 1948 and his report shows (enclosed for ready reference) that out of the six lorries for which cost has not been recovered, two were in running condition and the remaining four all damaged - two being found in the workshop owned by Janab Yakub, without any repairs, one in the fuel Depot in Bellikattige and another in another fuel depot in Laxmipuram.

All the above mentioned four lorries need very heavy repairs and it is not worthwhile to ~~them~~ incur any heavy expenditure in view of our proposal to close the transport section.

The president of the Municipality was therefore requested to send back our lorries so that we may put them to auction.

Subsequently, it has been brought to the notice of this office that Municipality had and has been recovering hire charges from the contractors and crediting the same to Municipal funds. The Municipal Commissioner was addressed on the 18th June '48 in the matter suggesting two alternative proposals viz.,(1) either to pay the cost of the lorries to us themselves and retain the same with them or recover the original cost of our lorries from the contractors in which case it would be considered as outright sale to them or (2) to send back our lorries to Bangalore for auction and transferring the hire charges so far recovered from fuel contractors to this Department . He has agreed to hand over our lorries back as decided at the meeting of the Fuel Sub Committee of the Municipality held on 18th June 1948 in the - Municipal Offices, Mysore and has accordingly returned two of them.

In view of the fact that he has returned two of our lorries which I inspected on 30th June, it is evident that he is also agreeable to transfer the hire charges collected to the name of the Director of Food Supplies. The Commissioner has been addressed separately requesting him to transfer the amount so far collected together with any amount that may still be due from contractors. His reply is awaited.

I enclose copies of this office letter of even number dated 18th June 1948 referred to above addressed to the Municipal Commissioner and his reply No.Fl.15/46-47 dated 22nd June 1948 in the matter and to request that sanction of Government may kindly be obtained for the transfer of the amount of hire charges recovered so far from the fuel contractors and credited to Municipal funds to the name of the Director of Food Supplies as also that may be recovered in future.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.
